

## You want Jan's keynotes and humor, but your budget's playing hard to get? Here's how to make the magic happen!

**Jan in Space - Virtual Keynote** – Want Jan's **hilarious, high-energy keynote** with a bit of a discount and no travel costs? She'll bring the fun **live and interactive** from her virtual stage—so you can ask questions, engage in real time, and feel like she's right there in the room! She won't have to eat airport food, and you'll get an unforgettable keynote! Same great keynote, same big impact!

**Jan's Insights Anytime - 📺 Pre-Recorded Keynote: Big Laughs, On Your Schedule!**  
Want Jan's **hilarious and insightful keynote** but need more flexibility? No problem! She'll send you a **customized, pre-recorded** version packed with the same great content tailored to your group. You can play it **whenever it fits your event**—morning, afternoon, or even as a surprise pick-me-up! Laughs and Insights on demand.

Because great comedy and inspiration should be easy! Let's make your event unforgettable (without scheduling headaches).

**Jan's Humor Break Bites - Virtual Emcee** – Need a way to keep your event energized and engaging? Let Jan keep the laughs (and the momentum) going! If a full keynote isn't in the cards, she can still bring the fun with **short, punchy clips** to keep your audience entertained between sessions.

Jan will **pre-record up to 10 custom 1-minute clips** packed with her signature humor—introducing speakers, making announcements (“Back in 10 minutes—don't get lost in the snack line!”), filling in breaks, and keeping the energy high. It's the perfect way to **keep things flowing smoothly** while adding a dose of comedy that makes your event unforgettable.

Because let's be honest—every conference could use **a little more laughter!** 🎤😄

## AND DON'T FORGET!!!!
